CHURCH OF GOD YEARBOOK

JULY 2021 – JUNE 2023

This publication is one of the connections in the ministry life of the Church of God. Containing available services, directories, names, addresses, telephone numbers, as well as website and email addresses, it puts helpful ministry information and collaboration at our fingertips.

The Yearbook tells a story. That story is about who we are as a church family. It's about the partnerships that unite us in ministry. It's about how we are organized and where we can go for answers, assistance, and direction. The Yearbook tells the story of who we are locally—and around the world. But, it's only a piece of the story.

Even as these pages came off the presses, information was changing (e.g. locations, dates, phone numbers, and email addresses). For this reason, the information you will find here isn't a complete narrative. Additionally, it only captures data and results from our 2021 biennial General Assembly. The next edition will report results from the 2023 General Assembly.

You can complete the narrative by helping us keep our records updated. Online account access makes this process easy, and allows you to update your information as soon as any changes happen. Remember, you are the owner of your account information. It is beneficial to you and the larger church body that you keep your information current.

We recognize the challenges that many pastors, laypeople, and constituents face with the internet, which is why the printed version of the Yearbook is available. If you are unable to use a computer, please call our offices at 800-848-2464 and one of our team members will be glad to help you with your registration needs.

We're here to help you!

For Churches in the United States: Important Information from the United States Treasury Department

Annually, Church of God Ministries Credentialing Services compiles and submits information regarding subordinates (churches and organizations) under the General Assembly of the Church of God group exemption to comply with the Internal Revenue Service regulations for nonprofits. Subordinates within a state, district, or region are approved by the credentialing body of that state, area, or district. The compilation of approved subordinates is sent from the state, district, or regional assembly to Church of God Ministries to be included in the group exemption of the General Assembly of the Church of God. The IRS requirement of being listed under the group exemption as a subordinate must meet the IRS qualifications of a “subordinate” as set out in Publication 4573 (Rev. 6-2007), which states in part:

Subordinates must be: Affiliated with the central organization; Subject to the central organization’s general supervision or control; and Exempt under the same paragraph of IRC 501(c), though not necessarily the paragraph under which the central organization is exempt.

Rev. Proc. 80-27, 1980-1 C.B. 677 sets forth additional criteria.

Any new subordinate included in the list sent to the IRS has been classified as an organization that is not a private foundation as defined in Section 509(a) of the code, based on the notification submitted. The list sent to the IRS includes any additional subordinates (congregations or organizations), deletions, and name or address changes, as well as the Employment Identification Number (EIN) for each subordinate. The IRS then updates its list for the group exemption of the General Assembly of the Church of God.

In response to the evidence presented by Church of God Ministries to the U.S. Treasury Department, the U.S. Treasury Department has verified the exemption of the General Assembly of the Church of God and its approved subordinates as defined above. This means that the General Assembly of the Church of God and its subordinates are certified as being exempt from Federal Income Tax and also that contributions, bequests, legacies, devises, or transfers to the General Assembly of the Church of God or its subordinates are deductible in making income tax reports.

Below is the text of a letter addressed to the General Assembly of the Church of God from the Department of the Treasury, Internal Revenue Service dated June 9, 2004, concerning the group exemption of the General Assembly of the Church of God:

This is in response to your request of June 9, 2004 regarding a copy of your organization’s group exemption letter.

In July 1960 we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501(c)(3) of the Internal Revenue Code.

Based on the information submitted, we recognized the subordinates named on the list your organization supplied as exempt from federal income tax under section 501(c)(3) of the Code. Also, we classified those subordinates as organizations that are not private foundations because they are organizations of the type described in sections 509(a)(1) and 170(b)(1)(A)(i) of the Code.

Donors may deduct contributions to your organization's subordinates as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to the subordinates or for their use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Your organization and its subordinates are not required to file federal income tax returns unless subject to the tax on unrelated business income under section 511 of the Code. If subject to this tax, the organization must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization or its subordinates' present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

Unless specifically excepted, your organization and its subordinates are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid each employee during a calendar year. This does not apply, however, if your organization makes or has made a timely election under section 3121(w) of the Code to be exempt from such tax. Your organization and its subordinates are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Section 6104 of the Internal Revenue Code requires organizations that received recognition of exemption on July 15, 1987, or later, to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. Organizations that received recognition of exemption before July 15, 1987, and had a copy of their exemption application on July 15, 1987, are also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. For additional information on disclosure requirements, please refer to Internal Revenue Bulletin 1999 - 17.

TE/GE, Customer Account Services

continued on next page

If an approved subordinate (congregation or organization) needs a letter certifying that it is a 501(c)(3) organization in good standing, it must meet the following criteria:

- 1) be a subordinate as defined by the IRS that has been approved by its state, district or regional assembly;
- 2) have submitted its required IRS information of mailing address and EIN to its state, district or regional assembly; **and**
- 3) does NOT have its own separate 501(c)(3) listing with the IRS **nor** is it listed under another group exemption.

Then the department of Credentialing Services at Church of God Ministries can supply a letter of certification of its nonprofit status with the IRS. All entities that are subordinates under the group exemption of the General Assembly of the Church of God (congregations; state, district, and regional assemblies; colleges and universities) are approved *annually* and *listed* under the group exemption of the General Assembly of the Church of God in the United States and Canada to comply with IRS requirements.

CHURCH OF GOD

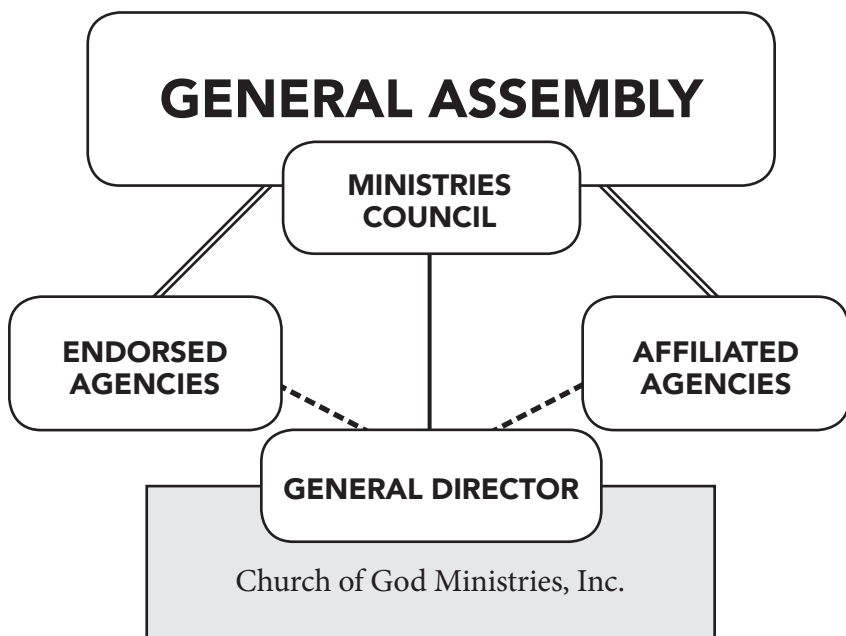

THE UNITED STATES AND CANADA

The General Assembly of the Church of God in the United States and Canada represents over 2,000 congregations in the two countries.

The Assembly also walks alongside almost 100 other national general assemblies of the Church of God around the world.

We are united by our common history and theology, often captured in five non-negotiables:

- Jesus is Lord.
- The Holy Spirit is active in us, calling us to holy living.
- We have been called to be a catalyst for the unity of the body of Christ.
- The primacy of the Great Commandments (love God with your whole self and love others as yourself).
- The supremacy of Scripture. We are a people of the Word.

GENERAL ASSEMBLY OF THE CHURCH OF GOD

The General Assembly is the only forum in which every local congregation and pastor within the Church of God in the United States and Canada has voice. It is a voluntary but important association of Christ-followers committed to biblically grounded Christian life, experience, and witness.

The General Assembly's Constitution and Bylaws define its purposes and constituency. Articles 2 and 3 of the Assembly's Constitution, in part, read:

2.2 The purpose of the Assembly shall be to further the ends of the Church of God: unity and holiness. As a people embracing Jesus as Lord, the Church of God strives to follow Him, as He defined His ministry in Luke 4:16–21, anointed by the Spirit to: proclaim, heal, free, and restore, while conscious of the risks and costs of so doing.

2.3 The purpose of the Assembly shall also be to conduct the general business of the Church and to serve as a forum for the identification, selection, and empowerment of leaders for the Assembly and the ministries and agencies within the Assembly's portfolio.

2.4 The Assembly, in the fulfillment of its purposes and responsibilities, has established a legally incorporated, non-profit corporation formally named Church of God Ministries, Inc. and has chosen a Ministries Council to serve as the Church of God Ministries' Board of Directors; the Council will act on the Assembly's behalf when it is not in session.

3.1 The Assembly is a voluntary association. It shall not exercise ecclesiastical jurisdiction or authority over the Church of God in general or over individual congregations in particular.

3.2 The Assembly does, however, retain the right of a voluntary association to define its own membership and to decide and declare, on occasion, when individual ministers or congregations are not recognized by the Assembly as adhering to the general principles to which the Assembly itself is committed.

3.3 The Assembly's membership shall be comprised of those who are professing Christians, committed to living by the light of biblical revelation, and who also fall into one or more of the following categories:

3.3.1 Ordained Ministers in good and regular standing with their relevant Church of God credentialing authorities.

3.3.2 Licensed Ministers in good and regular standing with their relevant Church of God credentialing authorities.

3.3.3 Governing Board Members of all of the Assembly's Endorsed Agencies.

- 3.3.4 Officers of the Assembly's Endorsed Agencies who are subject to the Assembly's ratification.
- 3.3.5 Governing Board Members of all of the Assembly's Affiliated Agencies.
- 3.3.6 Missionaries who are commissioned by Church of God Ministries.
- 3.3.7 Members of the Ministries Council.
- 3.3.8 Members of Assembly Committees defined in this Charter.
- 3.3.9 Lay members of Church of God congregations designated by their local church as representatives to the Assembly, under the following formula: one for every one hundred people counted in the local congregation's annualized average weekend worship service attendance published in the Church of God Yearbook current on January 1 of each year.

Inquiries and correspondence intended for the General Assembly, its officers, or committees, may be directed to Church of God Ministries. The General Assembly coordinator, in the Church of God Ministries office, networks contacts and information for the General Assembly, its officers, and its standing committees; you may contact the coordinator by surface mail: General Assembly Coordinator, Church of God Ministries, PO Box 2420, Anderson IN 46018-2420, or electronically: GeneralAssembly@chog.org, or by telephone: 800-848-2464. Contact specifically intended for the general director of Church of God Ministries (Jim Lyon), should be delivered to his executive assistant: Church of God Ministries, PO Box 2420, Anderson IN 46018-2420, or 800-848-2464.

PARTNERS IN MINISTRY DIRECTORY

In 1997, the General Assembly of the Church of God created a new ministry-based organization—Church of God Ministries, Inc. The General Assembly further identified two additional types of organizations with which to partner in national and international ministry: Endorsed Agencies and Affiliated Agencies.

Partners in Ministry is a title reserved for independent ministry entities or organizations that effectively serve a large constituency and work cooperatively with Church of God Ministries in harmony with the biblical doctrines, vision, and mission of the Church of God movement.

ENDORSED AGENCIES DIRECTORY

In 1997, the General Assembly of the Church of God created a new ministry-based organization—Church of God Ministries, Inc. The General Assembly further identified two additional types of organizations with which to partner in national and international ministry: Endorsed Agencies and Affiliated Agencies.

Endorsed Agencies enter into covenantal relationships that commit them to follow the mission and priorities of the Church of God as established by the General Assembly.

An Endorsed Agency serves the church in a capacity not already addressed by Church of God Ministries.

While the mission of an Endorsed Agency clearly reflects the need for autonomy in polity and governance, the General Assembly views its ministry as important in the life of the church, addressing needs of a vital constituency of the church.

An Endorsed Agency may be included in the unified budget of the Church of God, which is approved by the General Assembly.

The chief executive officer and governing boards of an Endorsed Agency are ratified by the General Assembly.

Should any Endorsed Agency experience dissolution, its assets revert to Church of God Ministries.

Warner Pacific is a Christ-centered, urban, liberal arts university dedicated to providing students from diverse backgrounds an education that prepares them to engage actively in a constantly changing world. As an institution, Warner Pacific encourages interdisciplinary learning and invites honest questioning through a foundation of faith.

Christ-centeredness is the lens through which the University sees all other tenets of its mission. The missional purpose and calling of Warner Pacific are inextricably linked to the heritage of deep faith that first called Church of God (Anderson, Indiana) founders to travel west and build a college. At our core is Wesleyan holiness theology, which pushes every member of the Warner Pacific community to become more like Jesus as we seek to change the world.

Equitable access to Christ-centered, private education is a vital part of that calling. Currently, 66 percent of incoming students identify as persons of color and more than 50 percent of undergraduates are first generation college students. Warner Pacific serves approximately 900 students through the traditional campus and the Professional & Graduate Studies campus, which offers classes one night a week or online. The University awards associate, bachelor, and master's degrees.

Faith, service, and scholarship form the foundation of the University's liberal arts core, which prepares graduates to actively address the complex issues facing the world today. The relational educational environment at Warner Pacific invites students to seek answers to difficult questions, challenging them to expand their comfort zones in order to explore the ways in which they understand society, community, and faith. A student-faculty ratio of 12:1 means that professors know students by name and are dedicated to personally guiding them throughout the university experience.

The campus location in the heart of southeast Portland, Oregon, compels students to use the city as their classroom as they engage in academic exploration, missional service, and urban internships. Students, faculty, and staff at Warner Pacific participate in hands-on service throughout the Portland community. Tutoring at local schools, providing facilities improvements to non-profit organizations, and offering resources and support to the homeless are just a few of the ways that Warner Pacific helps Portland flourish.

In 2021, Warner Pacific was ranked as one of the Top 10 Best Colleges in the Western United States and as a Best Value College – West by U.S. News and World Report, which also recognized Warner Pacific as the most diverse college in the West. Warner Pacific is the only four-year college or university in Oregon to be named a Hispanic-Serving Institution by the U.S. Department of Education.

AFFILIATED AGENCIES DIRECTORY

In 1997, the General Assembly of the Church of God created a new ministry-based organization—Church of God Ministries, Inc. The General Assembly further identified two additional types of organizations with which to partner in national and international ministry: Endorsed Agencies and Affiliated Agencies.

Affiliated Agencies enter into covenantal relationships that commit them to follow the mission and priorities of the Church of God as established by the General Assembly.

An Affiliated Agency serves the church in a capacity not already addressed by Church of God Ministries.

While the mission of an Affiliated Agency clearly reflects the need for autonomy in polity and governance, the General Assembly views its ministry as important in the life of the church, addressing needs of a vital constituency of the church.

Affiliated Agencies choose their own chief executive officers, elect their own boards, and hold the title to all assets.

STATE, REGIONAL, AND PROVINCIAL ORGANIZATIONS DIRECTORY

State, regional, and provincial organizations enhance the work of congregations within a state or region. Together with local pastors and layleaders, they provide services and coordinate ministries and events that often include ministers' meetings, youth conventions, camp meetings, a variety of camps targeted to diverse age groups, and the planting of new congregations.

Many state, regional, and provincial organizations are guided by a general assembly composed of ministers and laypersons. They also implement requirements and procedures granting credentials to ministers and recognition to congregations within their state, province, or region. The standards and procedures in question are those established by the General Assembly of the Church of God in its authorized Credentials Manual.

OUR VALUES

Florida Ministries lives by four key values. **Relationships** led by our belief in people, **Partnerships** led by our investment, **Stewardship** for impact and **Leadership** that brings hope and future. Our ministry opportunities listed below flow out of these values and center around the core belief that the *Soul of the Leader Determines the Success of the Body.*

MINISTRIES

To receive more information on upcoming events, LDIs, or Impact Days please visit our website.

Ignite is a high-commitment intentional learning community of 3-6 pastors with the outset of significant spiritual movement in a leader and then through a local church.

Cluster Meetings are regional and are open to any pastor hoping to engage with other leaders in their area. Led by a member of the Florida Ministries' team, the design of the day is to hear what God is doing in the lives of the leaders throughout the state and in the different ministry areas. Cluster Meetings are regional: Coral Springs, Jacksonville, Sanford, Sarasota, Winter Haven, and in the north-western region of Florida.

LDIs (Leadership Development Institutes) are open to all of our churches, pastors along with their leadership teams (staff and/or lay leaders). These one-day opportunities are provided 2-3 times throughout the year and are meant to equip pastors and their teams.

Annual State Ministers' Meeting is a special day set aside to consider the "business" of Florida Church of God Ministries, celebrate ordinations, and be together in fellowship.

Dates: October 21, 2021 and October 20, 2022.

"Sharing the Love of Jesus with ALL of New England"

Website: newenglandchog.org • **Phone:** 401-783-7245

The mission of the New England Church of God is to "Share the Love of Jesus with ALL of New England." God has called us to empower missional disciples to reach the lost; to take back what hell has stolen; to raise up disciples who will make disciples; and, to reproduce healthy churches. Through prayer and covenant, God has called us to be a Great Commandment Region - loving God and loving our neighbor as we love ourselves. God has also called us to be a Great Commission Church - to go teach all nations, baptizing them in the name of the Father, Son, and Holy Spirit. Our Core Values are: Love, Unity, Holiness, and the Supremacy of the Bible.

ROARING BROOK CAMP RESTORATION PLAN

The New England Church of God is blessed to have over 100 acres of beautiful wooded land in Eastern Massachusetts. The Camp Team is working to restore this camp to function as a conference center with the long-term goal to be a youth camp to be utilized year-round. Much work is in progress to work in cooperation with the surrounding community as we responsibly harvest some of the trees, repair administrative buildings and cabins, and restore this gift so that it can be used fully to help us share the love of Jesus for generations to come.

CHURCH DIRECTORY

Local churches are the front lines of ministry. It is here that people experience love, redemption, healing, support, nurture, spiritual growth, and discipleship in the body of Christ.

Congregations represent the key organizational foundation of the work and ministry of the Church of God. The national general assembly, state, provincial and area assemblies each derive their strength, support, and affirmation from local churches.

Each church contacts and calls its own pastors and establishes its own internal organizational pattern. The following pages provide a snapshot in time of the work of each local congregation reflecting attendance, constituency, location, website, and staff team. Names of staff members who are recognized by the local congregation, but have no formal credentials recognized by their state, provincial, or area assembly, are noted with the symbol †.

INSTITUTIONAL CHAPLAINS

Many of our pastors in the Church of God have answered the call to specialize in offering spiritual care among “the least of these,” whether they be found in hospitals, prisons, or among our civil servants and employees in the workforce. These institutional chaplains come alongside such persons as ambassadors of Christ to offer God’s mercy, compassion, and hope with human hands and human faces.

The following pages list those who help nurture faith by providing a calming presence, godly counsel, services of worship and communion, emotional and spiritual support, and encouragement to persons experiencing particularly vulnerable moments in their lives physically, mentally, emotionally, and spiritually.

The names listed here are not a complete roster of our institutional chaplains, but is only a representation of the 200-plus brothers and sisters who are serving our Lord Jesus Christ as his messengers of peace in extra-congregational settings.

CHURCH OF GOD AROUND THE WORLD

In the years just after its birth in 1881, the Church of God movement began to take the good news of Jesus Christ to the world beyond the United States and Canada. B. F. Elliott became the movement's first missionary, entering Mexico in 1891.

Since those early days, the Church of God has grown into a multinational community of faith that is carrying the gospel to nearly ninety countries around the globe. Our worldwide family now consists of more than 960,000 believers and nearly 8,000 churches.

The church in the United States and Canada continues to support and send missionaries. We are not alone, however. Other members of our global family are also responding to the missionary call by sending and going.

Internationally, God is working through a rich variety of dedicated servants in a wide array of geographic locations. The following pages will give you some indication of where, and through whom, the Church of God is ministering around the world.

The statistics on the following pages are submitted voluntarily by national leaders in each country through the Global Strategy regional coordinators and regional consultants. These numbers are collected differently by each national church; in many cases, the national church appears to be reporting a constituency figure rather than worship attendance.

Congregations in the United States and Canada are asked to report the average number of people in attendance in worship services each week, which does not represent the total constituency of the Church of God in North America.

FREESTANDING MINISTRIES

PAID ADVERTISING DIRECTORY

Freestanding Ministry Organizations are independent entities that have voluntarily chosen to associate with the Church of God but are neither authorized nor sanctioned by any US and Canada office of the Church of God.

Each Freestanding Ministry Organization, in order to be included in this directory, must be approved annually by the regional pastor of the state/province in which its office is located.

Church of God Ministries includes advertisements from organizations associated with the Church of God that choose to work in cooperation, and not in competition, with our domestic and international ministries.

Association of Pastoral Care Specialists

AN ORGANIZATION OF PERSONS INVOLVED IN THE
SPECIALIZED MINISTRIES OF PASTORAL CARE AND
PASTORAL COUNSELING IN THE CHURCH OF GOD

Pastoral Care Specialists are practitioners in pastoral care and pastoral counseling ministries in a variety of settings who are licensed or ordained ministers of the Church of God and hold, or are in the process of holding, membership in a professional organization certifying their competency.

Steering Committee

Glen K. Cox, Coordinator, APCS; Eloise Morgan; Peggy J. Young; Verletta Spencer

Purpose Statement:

The Association of Pastoral Care Specialists (APCS) exists primarily to provide the following:

- 1. Professional Identity:** The association serves as one way of recognizing the unique call, the giftedness, and specialized training of persons in pastoral care and pastoral counseling ministries. It is the desire of the APCS to acknowledge those who have chosen these areas of ministry and to elevate the value of the ministry they perform to the church at large.
- 2. Fellowship:** The association exists as one way to help affirm our ministry on the local, state, and national levels. During the North American Convention in June, APCS members participate by providing conferences and a professional counseling service to pastors, their families, and laypersons, as well as gathering with their guests for an early breakfast, which combines fellowship and discussion of current issues in pastoral care and counseling.
- 3. Structural Connectedness:** The association encourages a close and ongoing relationship to the Church of God. Members of the APCS must be licensed or ordained and registered in the *Yearbook* with the proper ministry category descriptive of their ministry.

Jim Walters, Director

Since 1988 Jim Walters has been serving as a CFC consultant to Church of God congregations in the U.S., Canada, and the Caribbean. He is an ordained minister in the Church of God with 31 years of pastoral experience prior to becoming the director of Vision Ministries.

"The Eleventh Street Church of God has a great vision...a big dream. It's a God-given one. However, because of numerous setbacks in the economy, provision of utilities and even political obstacles, we began our fourth capital fund campaign with a need for renewed momentum, inspiration, and enthusiasm. Vision Ministries and the leadership of Jim Walters has provided the necessary organization and impetus to move forward toward accomplishing our God-given dream."

Randy Shafer
Senior Pastor
Eleventh Street Church of God
Canton, Ohio

"With Jim's leadership and the fresh approach, we not only met our goal of \$600,000 but also blew by it to have pledges in excess of \$1 million. The campaign not only exceeded our financial expectations but also generated a renewed spiritual enthusiasm for God and His Kingdom work."
